

# Learning Ladders Primary School Summer Camp 2022

Join us as we discover four out of the five elements of nature! We will delve into the studies of earth, water, air, and space. Can someone tell me what a geode is? Why do some stars appear to twinkle? Why does inertia happen? These and many more questions will be discovered, all the while remembering our world today and the importance of preserving our planet. Each session includes a STEM project + a field trip.

## Session 1: EARTH (3 weeks): June 27 - July 15 (Closed Independence Day)

Who doesn't like to get their hands dirty in order to discover artifacts or maybe even dinosaur bones? Let us research what a geode is, and what makes it so colorful. We will also explore how our planet feeds us and what it takes to sustain it. Our earth is a wondrous place, let's explore what it's made of.

**Discussion Themes:** Stars and planets, Astronomers, Patterns, Biology

**Enrichment:** Sports, Music and Movement, Creative Arts, Robotics

## Session 2: WATER (3 weeks): July 18 – August 5

Water is the most basic necessity for all life. Let's dive into the deepest oceans, and swim in the shallowest ponds. We can discover the largest mammal and the smallest living organism. We will understand the reasons why water is so important for humans and animals alike.

**Discussion Themes:** Five senses, Environment, Chemistry, Mathematics

**Enrichment:** Sports, Music and Movement, Creative Arts, Coding

## Session 3: AIR AND SPACE (3 weeks): August 8 – August 26

We will discover how grand our universe really is. We will utilize tools that scientists use to discover other planets and see stars that are light years away... Hey! How far is a light year? Are there more planets outside our universe? We will get to know methods on how to experiment and make new discoveries.

**Discussion Themes:** Textures, Measurements, Mathematics, Physics

**Enrichment:** Sports, Music and Movement, Creative Arts, Engineering

Schedules:      8:30am – 12:30pm      8:30am-2:30pm      8:30am – 5:30pm

5 days week      \$1325      \$1700      \$2000

\* Tuition is not prorated for partial attendance. Week substitution cannot be accommodated

\* Field Trip tuition paid separately. No additional tuition for enrichment classes

## How to register:

1. Please indicate below by marking which session and program your child will be attending: Half Day/ Full Day/ Extended Day  
Session 1      Session 2      Session 3
2. Please return this completed application form and a check made to Learning Ladders for 100% of the session/s tuition and \$75 registration fee each session

## Child's Information

Name \_\_\_\_\_

Birth Date \_\_\_\_\_ Age at start of camp \_\_\_\_\_

Home Address \_\_\_\_\_

City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_

Current School \_\_\_\_\_

Languages Spoken at Home \_\_\_\_\_

Please provide information on any dietary restrictions and allergy \_\_\_\_\_

Any regular or emergency medications \_\_\_\_\_

Mother's Name \_\_\_\_\_

Mother's Cell Number \_\_\_\_\_ Mother's Work Phone \_\_\_\_\_

Mother's Email Address \_\_\_\_\_

Mother's Employer \_\_\_\_\_

Father's Name \_\_\_\_\_

Father's Cell Number \_\_\_\_\_ Father's Work Phone \_\_\_\_\_

Father's Email Address \_\_\_\_\_
