

Learning Ladders Primary School Summer Camp 2021

Join us as we get our hands dirty! We will explore different textures as we get our hands into some mud, sand and goo. Let us bring out the inquirer in all of us – How does dirt help a plant grow? Where does sand come from? What makes slime slimy? All the while remembering our world today and the importance of handwashing and hygiene.

Session 1: MUDDY HANDS (3 weeks): June 28 - July 16 (Closed Independence Day)

We will discover how handy our hands can be. That they are the best tools that we have. From garden to table, we will discover how important dirt can be. We will plant a seed, help it grow and then enjoy the fruits of their labor by making a wonderful meal.

Discussion Themes: planting, cooking, patterns

Enrichment: Spanish, Science, Movement, Arts n Crafts, Dance

Session 2: SANDY HANDS (3 weeks): July 19 – August 6

There is nothing like the feel of sand as it escapes your hands. Let us discover what's in sand, why it feels gritty and what animals call it home. Using our five senses to unravel the mystery of sand and its composition. We will use the scientific method, make hypotheses, and explore the possibilities.

Discussion Themes: five senses, environmental, math

Enrichment: Spanish, Science, Movement, Arts n Crafts, Dance

Session 3: GOOEY HANDS (3 weeks): August 9 – August 27

Wow! We are going to get our hands into textures that are goeey, sticky, gritty, slimy, powdery, etc. Let us explore the science of oobleck, slime, kinetic sand, puffy paint, just to name a few. We will measure, mix, observe and play with all these different materials.
